- (6) use of methods that, although not otherwise specifically prohibited by law, nevertheless render its operation detrimental or its condition unsound with respect to the public or to its policyholders; or
- (7) failure otherwise to comply with the laws of this State.

(b) If the Commissioner finds, upon examination, hearing, or other evidence, that any captive insurance company has violated any provision of subsection (a) of this section, the Commissioner may suspend or revoke such company's license if the Commissioner deems it in the best interest of the public and the policyholders of such captive insurance company, notwithstanding any other provision of this title.

(b) The Commissioner may require any company subject to this subsection to limit or withdraw from certain investments or discontinue certain investment practices if the Commissioner determines that such investments or practices of the company might be hazardous to the policyholders or the general public.

(c) No captive insurance company may make a loan to or an investment in its parent company or affiliates without prior written approval of the Commissioner, and any such loan or investment must be evidenced by documentation approved by the Commissioner. Loans of minimum capital and surplus funds required by section 6 of this title are prohibited.

### **Section 11. Reinsurance**

(a) Any captive insurance company may provide reinsurance on risks ceded by any other insurer, and may provide reinsurance of annuity contracts that are granted by any other insurer.

(b) Any captive insurance company may take credit for the reinsurance of risks or portions of risks ceded to reinsurers complying with the provisions of {insert appropriate citation to state credit for reinsurance law} of this title. Prior approval of the Commissioner shall be required for ceding or taking credit for the reinsurance of risks or portions of risks ceded to reinsurers not complying with {insert appropriate citation to state credit for reinsurance law} of this title, except for business written by an alien captive insurance company outside the United States.

(c) In addition to reinsurers authorized under the provisions of section {insert appropriate citation to state credit for reinsurance law} of this title, a captive insurance company may take credit for the reinsurance of risks or portions of risks ceded to a pool, exchange, or association acting as a reinsurer which has been authorized by the Commissioner. The Commissioner may require any other documents, financial information, or other evidence that such a pool, exchange, or association will be able to provide adequate security for its financial obligations. The Commissioner may deny authorization or impose any limitations on the activities of a reinsurance pool, exchange, or association that, in the Commissioner's judgment, are necessary and proper to provide adequate security for the ceding captive insurance company and for the protection and consequent benefit of the public at large.

(d) For all purposes of this Act, insurance by a captive insurance company of any workers' compensation qualified self-insured plan of its parent and affiliates shall be deemed to be reinsurance.

### **Section 13. Rules for Controlled Unaffiliated Business**

The Commissioner may adopt rules establishing standards to ensure that a parent or its affiliated company, or an industrial insured or its affiliated company, is able to exercise control of the risk management function of any controlled unaffiliated business to be insured by a pure captive insurance company or an industrial insured captive insurance company, respectively; provided, however, that, until such time as rules under this section are adopted, the Commissioner may approve the coverage of such risks by a pure captive insurance company or an industrial insured captive insurance company.

### **Section 14. Rules and Regulations**

The Commissioner is authorized to promulgate rules and regulations necessary to effectuate the purposes of this Act. All such rules and regulations shall be promulgated in accordance with the {State} Administrative Procedures Act.

The expenses and charges of the examination shall be paid to the State by the company or companies examined.

(b) All examination reports, preliminary examination reports or results, working papers, recorded information, documents and copies thereof produced by, obtained by, or disclosed to the Commissioner or any other person in the course of an examination made under this section are confidential and are not subject to subpoena and may not be made public by the Commissioner or an employee or agent of the Commissioner without the written consent of the company, except to the extent provided in this subsection. Nothing in this subsection shall prevent the Commissioner from using such information in furtherance of the Commissioner's regulatory authority under this title. The Commissioner may, in the Commissioner's discretion, grant access to such information to public officers having jurisdiction over the regulation of insurance in any other state or country, or to law enforcement officers of this State or any other state or agency of the federal government at any time, so long as such officers receiving the information agree in writing to hold it in a manner consistent with this section.

### **Section 17. Dividends**

No captive insurance company may pay a dividend out of, or other distribution with respect to, capital or surplus without the prior approval of the Commissioner. Approval of an ongoing plan for the payment of dividends or other distributions shall be conditioned upon the retention, at the time of each payment, of capital or surplus in excess of amounts specified by, or determined in accordance with formulas approved by, the Commissioner. Notwithstanding the provisions of {state specific laws regarding dividends made by a not for profit corporation} may make such distributions as are in conformity with its purposes and approved by the Commissioner.

As used in this section, statutory accounting principles shall mean the accounting principles codified in the NAIC Accounting Practices and Procedures Manual.

(c) Any captive insurance company may make written application for filing the required report on a fiscal year-end. If an alternative reporting date is granted, the annual report is due 75 days after the fiscal year-end.

### **Section 21. Exemption from Compulsory associations, Rating Organizations; Memberships**

(a) No captive insurance company shall be permitted to join or contribute financially to any plan, pool, association, or guaranty or insolvency fund in this State, nor shall any such captive insurance company, or any insured or affiliate thereof, receive any benefit from any such plan, pool, association, or guaranty or insolvency fund for claims arising out of the operations of such captive insurance company.

(b) No captive insurance company shall be required to join a rating organization.

### **Section 22. Severability**

If any clause, sentence, paragraph, section or part of this act or the application thereof to any person or circumstances, shall, for any reason, be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this act, and the application thereof to other persons or circumstance, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered and to the person or circumstances involved.
