NCOIL CORPORATE & INSTITUTIONAL PARTNERSHIP PROGRAM STRUCTURE: 2022

NCOIL is pleased to announce the structure of its Corporate & Institutional Partnership ("CIP") Program for 2022. This program, modeled after those existing at the National Conference of State Legislatures ("NCSL"), the Council of State Governments ("CSG"), the National Lieutenant Governors Association ("NLGA"), and the State Legislative Leaders Foundation ("SLLF") has been extremely beneficial in serving as a stable source of financial support for NCOIL independent of specific conference programming.

The CIP will continue to include a limited, somewhat revised Caucus Membership for smaller entities, as well as a Chairman's Council, Leader's Council, Speaker's Roundtable, and President's Roundtable. The contribution levels for the Councils & Roundtables will remain the same, with some minor adjustments in benefits at the Speaker's Roundtable to reflect proportionality with the other levels.

Benefits common to all levels include:

- Complimentary Exhibition Space at each NCOIL Meeting
- Recognition on the NCOIL website
- Recognition in each NCOIL National Meeting program
- Advance list of pre-registered attendees to each NCOIL National Meeting
- Early Access Registration for each NCOIL National Meeting
- Guaranteed Access to HQ hotel during Early Access Registration
- Opportunity to author a "From the CIP" column in each NCOIL Newsletter
- Invitations to a Semi-Annual year-end/year-ahead review and luncheon with NCOIL CEO, General Counsel, & Assistant Director of Administration.
- CIP Pre-Meeting Conference Call with an NCOIL Officer before each NCOIL National Meeting
